## Parking instructions for passenger cars and light trucks\*:

Follow College Drive around the campus until you are on the north side of the campus, arriving at the Parking Garage. A link to the campus map is at the bottom of this page, attached to this email, and posted on the state website on our ULTI page ([CLICK HERE](#)) that shows the location of the Parking Garage and all main campus buildings. Passenger cars and light trucks must enter the parking garage.

This is a pay parking facility, but UVU has provided SkillsUSA Utah participants with **2 SECTIONS TO PARK IN (Level 5 & Level 6)** for use during the conference. **YOU WILL NOT NEED A CODE THIS YEAR! Just make sure you park on level 5 & 6.**

**\*\*If you park in the assigned Levels (5 & 6) and receive a ticket, please turn it into Angelee Day or Jennifer Streker on the State Staff and we will take care of it.**

**\*\*We will NOT be waiving tickets for anyone NOT parked on levels 5&6 during our event!!!**

\*The parking garage has a clearance of 8ft. It will not accommodate large trucks or vans. If you choose to drive a large vehicle, send your license plate information to Tena Medina at [PARKING@uvu.edu](mailto:PARKING@uvu.edu) and they will issue you a temporary day permit.

## Parking instructions for school buses or large district vans:

Follow College Drive around the campus until you are on the north side of the campus, arriving at the drop off area on the side of College Drive in front of parking lot L13. This area is between the library and student life building. This will allow you close access to the Sorensen Student Center where we are holding the conference. A map is attached to this email and posted on the state website under "downloads" that shows the location of parking lot L13. L13 is situated between the Library (LI) and Student Life (SL) buildings. The Student Center (SC) is also listed right behind the Student Life building.

After the buses drop off the participants, they must leave the main UVU campus and travel to the west side of I-15 to park in the gravel area of the UVU West Campus located at 951 South Geneva Road in Orem. There is a large gravel parking lot behind the building on the east side. The West Campus is shown on the map in the bottom right corner. A free UVU shuttle bus will transport bus drivers back to the main campus.
