(revised 3-28-19)

Exception Policy:

1. On the rare occasion that a student contestant cannot fully participate in a portion of the state conference event, due to circumstances far beyond the control of the student, the Contest Management Team may allow an exception to the mandatory participation policy.
2. Situations that may justify an “Exception” may include:
 - The need to miss the mandatory meeting
 - To make a request for a special accommodation for a specific contest
 - The need to miss the awards program/inability to collect a medal or industry prize
 - Failure to meet the conference registration deadline
3. Contestants must pre-arrange work schedules and consider potential delays due to traffic congestion or weather and make a reasonable effort to fully participate in all state conference events.
4. An official “SkillsUSA Utah Exception Form” can be downloaded and printed from the state website (www.utahskillsusa.org), located under the “Conferences and Events” button on the home page.
5. Exception forms must contain all required signatures before they will be evaluated.
6. SkillsUSA Utah Exception Forms must be submitted to the Contest Management Team prior to the start of the State Conference Event.
7. No exceptions will be granted without the official exception form, and no “verbal” exception approvals will be granted.
