

SkillsUSA Utah Fair Play Pledge for Student Contestants

It is the intention of the SkillsUSA Utah state association and all contest organizers and participants to promote integrity, fair play and respect for all participants within the SkillsUSA Utah Leadership and Skills Championships competitions. All student contestants must sign and submit this pledge to the SkillsUSA Utah state director either on paper or electronically at skillsusa.utahstatedirector@gmail.org before the start of any contest at your school location.

I agree to abide by the principles of SkillsUSA and the Fair Play Code (see below) as set forth by the SkillsUSA Utah Championships. This commitment to fair play will pave the way for better competitions and positive attitudes.

Fair Play Code:

1. I will remember that winning is not everything—having fun, improving skill, and preparing for a successful career are also important.
2. I will follow all rules of SkillsUSA and the spirit of fair competition.
3. I will do my best to be a true team player and represent my school and training program with integrity and honor.
4. I will demonstrate exemplary personal integrity during all competition activities
5. I will avoid any interaction with other students, contestants, teachers, or advisors during all competition activities.
6. I will give my absolute best effort during all competition activities, then trust the judges to evaluate my efforts in a fair and equitable manner.
7. When the contest results have been tabulated and verified, I will accept that the judge's decision is final, and acknowledge the results in a professional manner.
