Show SkillsUSA wants to showcase the great accomplishments our members make every day as skilled workers and leaders, and that's what the new **#MadeInSkillsUSA** social media campaign is all about. We're asking members to share photos on social media that highlight their accomplishments. The photos can represent something members made with their hands (a construction project, a graphic, a hairstyle, a culinary creation, etc.) or a personal achievement earned through SkillsUSA (landing a job or internship, delivering a speech, leading a meeting, etc.). To participate, simply post a photo with the hashtag **#MadeInSkillsUSA**. [Learn more here](#). For questions, contact [Hayley Uffelman](#), SkillsUSA's social media manager.

If you know SkillsUSA graduates who fit that description, please contact us. If these students went to work for a partner met through SkillsUSA, we'd love to hear about that, too. Please send a brief description of your graduate to Office of Communications Associate Director [Karen Kitzel](#).
