

New SkillsUSA NLSC Guest Pass Purchase Procedure Effective 4/20/22

All conference participants attending the 2022 SkillsUSA National Leadership and Skills Conference at the Georgia World Congress Center (GWCC) in Atlanta are required to have badge credentials. This requirement is different from the open/free access conference we hosted at the Kentucky Exposition Center (KEC) in Louisville.

To accommodate family, friends, and others who would like to attend the conference, SkillsUSA has created weekly and one day Guest Passes. These guest passes must be purchased online prior to arrival in Atlanta. Guest participants must bring their printed or digital paid receipt to the GWCC Registration Hall located between buildings A and B to pick-up their badge credentials.
